Dear Mavericks High Parents and Students:

We have some exciting news to share with you about our school. The board of governance has voted to change our school name for the 2017-2018 school year. Our proposed new name is Chambers High school. A lot of thought and consideration has gone into changing our name to better embody the community that we serve. We want the history behind the new names to be embraced by all.

Should you have any questions or concerns about the new name, please contact my office at the number below.

Once again, thanks for being a part of our educational family.

Sincerely,

A blue ink handwritten signature, likely belonging to Dan Walke, located below the word 'Sincerely,'.
