BREAKING NEWS

Beginning with the 2026–2027 school year, Florida law requires middle schools to start no earlier than 8:00 a.m. and high schools no earlier than 8:30 a.m. Our school is currently conducting a stakeholder survey to determine how these changes may affect students and families.

To account for the 300 minutes of school and comply with the required minutes per session, our proposed student hours, given the new changes requiring earlier start times, would be:

- Middle School: 8:00 a.m. to 3:30 p.m. (no change)
- High School Session 1: 8:30 a.m. - 1:30 p.m.
- High School Session 2: 1:30 p.m. - 6:30 p.m.

We invite all parents and guardians to complete the stakeholder survey and attend upcoming information meetings at your school on Friday May 22nd and Tuesday May 26th at 2:00 p.m. Your feedback is important as we evaluate possible schedule adjustments.

The anonymous survey is available on our website (www.chambershigh.com) where all stakeholders can provide important feedback with respect to these changes.
